

Academic Visit

Kuala Lumpur, 2 February 2016 - Meeting between University of Tsukuba Global Common staffs, namely Ms. Yuko Yuhara and Mr. Kei Tanaka, while UTM represented by Deputy Dean (Academic) Professor Dr Ezzat Chan Abdullah, Associate Professor Dr Saiful Amri Mazlan (Head of Department, Mechanical Precision Engineering), Dr Abd. Rahman Abdul Rahim (Director of UTM International, Kuala Lumpur Campus), Ms. Siti Saodah Jamalluddin (Assistant Registrar) and also Associate Professor Dr Koji Iwamoto, from Department of Environmental Engineering & Green Technology in Malaysia-Japan International Institute of Technology (MJIIT).

One of the main concerns of the meeting is to learn the standard procedure of how to develop a double degree program. MJIIT has already developed a double degree program in Mechanical Engineering course with Yamaguchi University.

Later in the evening Ms. Uyehara and Mr. Tanaka visited UT Kuala Lumpur office. They also met with two former University of Tsukuba students currently attached in MJIIT.

Ms. Hayashi (JICA staff), Mr. Yusuke Tanaka (Nihongo Language volunteer), Ms. Yuhara, Mr. Tanaka and Dr. Iwamoto.
