

**Resources, Environment and Life**

**The 13<sup>th</sup> Japan-China-Korea  
International Postgraduate Academic Forum  
(Online Conference)**

**1<sup>ST</sup> ANNOUNCEMENT**

September 24 to 25, 2021

China Agricultural University

Qinghuadonglu Road 17, Haidian District, Beijing, 100083, China

## **Forum Synopsis**

The Japan-China-Korea International Postgraduate Academic Forum (JCK Forum) which was setup in 2008 and is an annual international scientific conference with a special focus on the education of postgraduate students. The forum is mainly for universities in Asian countries. So far, it has been successfully held 12 times with the strong support from universities in the three countries. The forum provides a communication and knowledge exchange platform for students majoring in Natural Resource, Environment Science, and Life Science. The forum is designed to train the participating students to develop their academic presentation skills, and also improve their organizational and communicational abilities. The forum can promote mutual understanding and international academic exchange among professors and students coming from different universities and institutes. This year, the 13th Forum called as JCK Forum 2021 will be hosted by China Agricultural University. The session topics of the forum include Agronomy and Biology, Earth Science and Geography, Environment Science and Technology.

## **Important Dates**

Abstract Submission opens: April 1, 2021

Abstract Submission close: May 31, 2021

Notification of review results: Jun 15, 2021

Online meeting: September 24 to 25

## **Participants**

- 1) All professors and students in the universities and institutes of the three countries, as well as other countries on the world, are welcome to participant the JCK Forum 2021 subject to a registration.

The APP for this on-line Forum is VooV Meeting, downloadable for free: <https://voovmeeting.com/>

## Sessions

	<b>Topics</b>	<b>Contents</b>	<b>Code</b>
<b>Session A</b>	Agronomy and Biology	 Geology microorganisms	A01
		 Biotechnology	A02
		 Environmental microbiology	A03
		 Molecular biology	A04
		 Paleontology	A05
<b>Session B</b>	Earth Science and Geography	 Exploration and development of mineral resources	B01
		 Development and protection of land resources	B02
		 Exploration and development of energy resources	B03
<b>Session C</b>	Environment Science and Technology	 Water and irrigation	C01
		 Waste treatment and recycling	C02
		 Soil, water and atmospheric pollution and pollution mitigation	C03
		 Geological environment	C04
		 Environmental assessment and economics	C05

## One-page Abstract

### **General requirements**

Authors should submit high quality abstracts in English. It should be able to explain the value of your topic, the purpose of writing, the main points of view, and research methods. It should highlight the creative results or new insights of this paper and retain the basic information of the paper as much as possible. The abstract submitted must be original, unpublished or not submitted to other publishers. All submissions will be blindly reviewed by experts in the field based on originality, importance, quality and clarity.

### **Format requirements**

The abstract should be written in a third-person perspective and preferably use the current tense. The full format is provided in the attachment, including the format guide and the electronic template. The length of the submitted paper should not exceed one page.

### **Submission requirements**

The abstract should be sent to the following email address with the attachment: **JCKforum2021@163.com**. Only electronic submissions are accepted. Please use the " (\*) Abstract of the JCK Forum 2021" as the subject of your email. The character between the parentheses "\*" should be replaced by ONE code out of A01 through C05.

## Co-Chair of the Forum

**Prof. Renjie Dong**, China Agricultural University, China

**Prof. Chuanping Feng**, China University of Geosciences (Beijing),  
China

**Prof. Yuichi Yamaoka**, Tsukuba University, Japan

**Professor from Korea to be confirmed later**

## Scientific Committee (in alphabetical order)

**Chuanping Feng**, professor, China University of Geosciences (Beijing)  
China

**Donghui Wen**, professor, Peking University, China

**Haiye Yu**, professor, Jilin University, China  
**Ikko Ihara**, professors, Kobe University, Japan  
**Lvjun Chen**, professor, Tsinghua University, China  
**Meiping Tong**, professor, Peking University, China  
**Nan Chen**, professor, China University of Geosciences (Beijing), China  
**Naoto Shimizu**, professor, Hokkaido University, Japan  
**Renjie Dong**, professor, China Agricultural University, China  
**Wei Qiao**, professor, China Agricultural University, China  
**Xianfang Song**, professor, Institute of Geographic Sciences and Natural Resources Research, Chinese Academy of Science, China  
**Yuichi Yamaoka**, professor, Tsukuba University, Japan  
**Yingnan Yang**, professor, Tsukuba University, Japan  
**Yu-You Li**, professor, Tohoku University, Japan  
**Professors from Korea to be confirmed later**

### **Organizing committee (in alphabetical order)**

**Jianbin Guo**, Associate Professor, China Agricultural University  
**Renjie Dong**, Professor, China Agricultural University, Chair  
**Shan Liu**, Assistant Professor, China Agricultural University  
**Wei Qiao**, Professor, China Agricultural University, Deputy Chair  
**Xin Li**, Assistant Professor, China Agricultural University  
**Yuguang Zhou**, Associate Professor, China Agricultural University

### **Forum Secretariat**

Conference Email: **[JCKforum2021@163.com](mailto:JCKforum2021@163.com)**

-  **Lijuan Ren**, Master Student
-  **Min Lin**, Ph.D. Student
-  **Penghui Chen**, Ph.D. Student
